

14th November 2005

To the kind person responsible for purchasing :

Thank you very much!

We are three years old and this would not have been possible without your kind support. Please accept this as a token of our thanks.

We value our reputation as suppliers of the best products in each category, at the most competitive pricing.

We always aim to establish long-term relationships based on reliability of supply and customer satisfaction, so we would appreciate it if you could update your company's details on the enclosed form and fax, post or (scan and) email it back to us.

We know how tedious filling out forms can be, so everyone who completes it will go into a draw for a fabulous magnum bottle of bubbly !

Very best regards from

Mike

Belinda

Alex

Dave

Matt

PS. We've enclosed a list of the products we supply, just in case there is anything else we can help you with...

Please update your company's details

Thank you. Remember, each completed form goes into the draw for a fabulous magnum bottle of bubbly !

Who filled this out : _____

You can fax this to : 09-8352051, or post it to Ingredient Techniques,
